More Ways to Help You!

Native Remedies has been helping people lead healthier lives since 2002, and after receiving many requests from customers seeking healthy pet solutions, we established a new line of natural remedies especially for your pets under the PetAlive brand.

We now have a full range of herbal and homeopathic remedies for symptom relief and long-term health. We are continually adding new products to the PetAlive line of safe and proven natural pet care products, which even includes an EQUINE line for horses!

With more than a half-million satisfied customers around the world, you can feel confident using the PetAlive line of natural remedies for your pets. Plus, all of our products are backed by our one year unconditional money back guarantee.

We wish you and your pet good health!

Our Three Point Promise

1. Native Remedies and our suppliers are registered with the FDA as accredited suppliers and manufacturers of health supplements under the highest pharmaceutical standards in GMP-certified facilities.
2. Our remedies are free of gluten, artificial colors and flavors, preservatives, and are never tested on animals.
3. Our herbal remedies are manufactured in Full Spectrum therapeutic dosage, not standardized extracts, and all homeopathic remedies follow mandated regulations and good manufacturing practices for consistency, reliability and safety without side effects.

Questions? Our free Ask Our Experts service has a team of trained consultants that can advise you on the best choices for your pet's health.
